BUSINESS ACTIVITIES

- 2005- Founding Partner, Selectors, LLC  
 2003- Founding Partner, Mesquita & Roundell, LLC  
 1981- 2003 Founder and Member, Board of Directors, Decision Insights, Inc. (Policon Corporation from 1981-1989).

Selectors, LLC is a New York-based firm that provides consulting and decision support services in the areas of governance structure, fraud analysis, mergers and acquisitions, litigation, government regulation, labor-management disputes, and contract negotiations. Selectors and other firms use models I developed to assist in multi-actor, complex negotiations. Clients include Fortune 500 companies and other large firms throughout the world, as well as the American government and other governments friendly to the United States on matters related to national security.

I have served as a consultant to several federal agencies and private corporations on national security, foreign affairs, strategic planning, bargaining, litigation management, mergers and acquisitions, fraud detection and prediction, contract negotiations, and political and policy forecasting. Additionally, I have supervised teams of consultants on a variety of projects in the United States, Britain, the Netherlands, France, Australia, Japan, and elsewhere in Europe and Asia.
